

Together We Save

Live a healthier life with ENERGY STAR®. By using less energy at home, at work, and in the community you can reduce emissions and our carbon footprint. AND, using less energy will lower your utility bills each month.

Whether you're purchasing an ENERGY STAR home, making your current home more energy efficient, improving your company's bottom line or making your school a greener place. Nevada ENERGY STAR Partners has the builders, companies, and resources you need.

Saving energy, money and natural resources is easier than you think. If we each do a little, it adds up to a lot. We make a difference – TOGETHER!
