

# **HIGH PERFORMANCE HOME AND COMMERCIAL BUILDINGS SEMINAR**

*December 5-7, 2011 • Northern Nevada*

## **EXHIBITOR INFORMATION**

**High Performance Homes Seminar** is an excellent opportunity to present your products and services to building science professionals. Connect with the right professionals who are seeking new ideas, proven products and techniques, and best practices to help them increase energy efficiency in residential building and remodeling all while reducing costs for better profits.

This is your chance to be in front of the right audience, be sure to reserve your exhibit today as space is limited!

---

Your exhibit space includes an 8' table located in the seminar conference room surrounding the attendees from morning to evening. The pricing below is for both Opening Day & Day 2, this is a bargain! We anticipate the spaces to go fast as they are limited in number; all exhibits will be reserved on a first come first serve basis!
